Kenwood End User Rebates

B&I Portable and Mobile Radios

October 28th – January 15th, 2010

Kenwood offers the most respected and most value-packed radios on the market. For that reason, Kenwood brand radios are the number one choice of Business and Industry users to get the job completed effectively and efficiently!

Our NEW End User Rebate Program (October 28th – January 15th, 2010) on select B&I portables and mobiles adds even more value for your end user customers and one more reason to purchase Kenwood radios-NOW!

The End User Rebate program offers redemption amounts from **\$30 to \$45** on units sold between October 28th, and January 15th (valid from 1 to 100 units per end user customer). See the below table for exact models/amounts.
